MONTRACHET GRAND CRU

"...timid aromas of essence of pear, apple, citrus, spice, pain grillé and exotic tea. Here too there is outstanding volume to the dense, concentrated and powerful flavors that brim with sappy dry extract...imparts a borderline chewy quality to the hugely long and super-complex finale. This is marvelous and also packed with excellent potential."

CORTON CHARLEMAGNE GRAND CRU

"Generous but not dominant wood sets off the cool yet ever-so-mildly exotic aromas of lychee, melon, freshly sliced green apple, floral and lemon rind. The larger-scaled flavors are succulent to the point of opulence thanks to the abundance of sappy dry extract that coats the palate on the powerful, stony and serious finale..."

CHASSAGNE-MONTRACHET 1ER CRU "LA GRANDE MONTAGNE"

"...reveal the notes of apple, citrus, white flower and soft spice wisps. The precise, intense and overtly stony middle weight flavors possess very good focus and drive on the lingering if somewhat surprisingly rustic finish..."

92

MEURSAULT 1ER CRU "CHARMES"

"...the wood can also be found on the succulent and concentrated medium-bodied flavors that culminate in a surprisingly powerful (for Charmes), serious and firmly structured finish."

PULIGNY-MONTRACHET 1ER CRU "LES CHALUMEAUX"

"Moderate though not invisible wood frames the pretty and airy aromas of white peach, lavender, rose petal and various citrus nuances. The wood also appears on the attractively vibrant and more mineral-inflected flavors that exhibit good length on the clean, dry and focused finish..."

CHEVALIER-MONTRACHET "LES DEMOISELLES" GRAND CRU

"...swirling liberates the floral, citrus and white peach-suffused aromas. The mouth feel of the dense and voluminous flavors is wonderfully refined and sophisticated while exhibiting strikingly good intensity and persistence on the chiseled, balanced and powerful finale."

BÂTARD-MONTRACHET GRAND CRU

"A smoky array of both white & yellow orchard fruit is laced with hints of acacia blossom, matchstick & petrol nuances. There is excellent volume, concentrated & powerful to the broad-shouldered flavors that deliver outstanding length on the built-to-age finish..."

MEURSAULT 1ER CRU "PERRIÈRES"

"The delicious, intense and beautifully delineated if lighter weight flavors flash plenty of stone character on the focused, linear and moderately dry finish that like the Goutte d'Or evidences enough warmth to merit mentioning."

90

MEURSAULT-BLAGNY 1ER CRU "CHÂTEAU DE BLAGNY"

"There is an appealing mouth feel to the attractively intense middle weight flavors that possess solid definition and a subtle minerality that comes up on the lingering finish that is shaped by lemon-lime tinged acidity."

90

CRIOTS-BÂTARD-MONTRACHET GRAND CRU

"...excellent volume to the sappy and mouth coating medium weight plus flavors that possess solid mid-palate density, all wrapped in a tangy, short, slightly bitter and awkward finish. As the description makes clear, this is so completely different from the other wines in the range."

90

MARSANNAY BLANC

"A deft application of wood sets off the aromas petrol, pear and apple that lead to attractively energetic and lightly stony middle weight flavors that possess reasonably good depth and persistence on the racy, clean and agreeably dry finish. This is really quite good for its level and a wine that would make a good all-around house white plus it should reward a few years of cellaring."

"A pungent nose displays notes of gun flint, citrus and smoke while the cool white-fleshed fruit is largely a background element at present. Otherwise there is excellent energy to the well-delineated and lightly mineral-driven middle weight flavors possess sneaky good length on the focused, dry and youthfully austere finish."

PULIGNY-MONTRACHET 1ER CRU "LA GARENNE"

"There is a lovely sense of underlying tension to the appealingly textured medium weight flavors that also flash plenty of minerality on the focused, intense and sneaky long finish."
