“Notes of Mirabelle join suggestions of wet pebble on the nose of this wine. The juicy palate is vivid with lemony freshness, with a sinuous body that gives the impression of dissolved stone, greengage skin and zest. The finish is dry and refreshing.”

## Chablis 1er Cru “Fourchaume” 2018

“A whiff of creamy, toasted hazelnut on the shy nose turns into full-blown, creamy vanilla on the palate of this wine. This works well since all of that oaky generosity is countered by lemony brightness. This wine is all about smooth, mellow creaminess accented by lemony highlights.”
