## Bâtard-Montrachet "Clos Poirier" Grand Cru

"A beautifully elegant, cool and airy nose features notes of various floral nuances, citrus confit and white peach, all of which is trimmed in mildly toasty oak. There is excellent richness, concentration and power to the sleekly muscular flavors that possess much better depth and persistence on the palate coating finish. **This is lovely and a Bâtard of finesse and refinement.**"

91

## Chassagne-Montrachet "La Grande Montagne" 1er Cru

"Here too there is fine volume and concentration to the slightly more energetic flavors. **I like the balance of the attractively dry finale.**"

89

## Chassagne-Montrachet

"Hints of rosemary oil, petrol and an herbal tea wisp can be found on the ripe white and yellow peach aromas. The **succulent, round and generously proportioned flavors** possess fine mid-palate density while offering fine length."

91

## Chassagne-Montrachet "Morgeot" 1er Cru

"A much more restrained, even brooding, nose grudgingly offers up its array of crushed herb, citrus and petrol. There is impressive richness to the larger-scaled and dense flavors that exhibit focused power on the sappy and lengthy finish where the only nit is a touch of warmth. **This is a big Morgeot that should be approachable young if desired.**"

91

## Chassagne-Montrachet "Caillerets" 1er Cru

"Subtle but perceptible wood sets off ripe aromas of rosemary oil, petrol and a pretty mix of various white orchard fruit. There is fine volume to the succulent, round and seductively textured flavors that possess **a lovely texture along with evident minerality on the balanced finale.**"

93

## Chevalier-Montrachet "Les Demoiselles" Grand Cru

"This is aromatically cool and restrained with its combination of essence of white orchard fruit, especially pear, along with hints of wood, spice, mineral reduction and rose petal. **There is excellent intensity to the textured, concentrated and quite powerful big-bodied flavors** that exude evident minerality on the focused finish that is quite tightly wound."

89

## Meursault

"A hint of Chablis-like quinine adds breadth to the aromas of peach, pear, hazelnut and matchstick character. There is fine volume and mid-palate density to the plush, round and vibrant flavors that possess fine complexity on the moderately dry and persistent finale. **This is a quality Meursault villages.**"

92

## Meursault "Charmes" 1er Cru

"Pretty aromas of **hazelnut, acacia blossom, citrus confit and a hint of petrol** complement the rich, generous and attractively textured medium-bodied flavors that possess fine density while displaying better depth and persistence on the bracing bitter lemon suffused finish. This is quite good and a wine that should repay up to a decade of keeping."

89-92

## Meursault-Blagny "Château de Blagny" 1er Cru

"There is fine volume and punch to the medium-bodied flavors that aren't especially refined yet they do offer **very good depth and persistence.**"

91

## Meursault "Genevrières" 1er Cru

"The **attractively sleek**, intense and more mineral-infused middle weight flavors possess a **sophisticated mouthfeel** that carries over to the youthfully austere, balanced and sneaky long finish. This refined effort needs to develop more depth but that should happen if given a few years of cellaring."

92

## Puligny-Montrachet "Les Referts" 1er Cru

"Here too there is a whiff of green fruit to the layered nose of lemongrass, white peach and acacia blossom. There is both better volume and mid-palate density to the mouth coating flavors that are markedly more structured on the balanced, complex and lingering finish. **This is worth checking out.**"

## Puligny-Montrachet "Sous le Puits" 1er Cru
