Description

At the heart of a constellation of Grand Crus from Côte de Nuits is Chambertin. The terroir of Chambertin is legendary for its exceptional richness due to a geological phenomenon called an alluvial fan. This deeply complex terroir is characterized by brown calcareous soils. It breeds a powerful and complex wine with a long ageing potential, combining the robustness of Pinot Noir and the taste of the "terroir".

At the end of the 19th century the Latour family acquired 0.81 hectares in the Chambertin Grand Cru appellation, forming a beautiful parcel extending from the top to the bottom of the hillside, closer to that of Latricières rather than Clos de Bèze. We took the name of Chambertin "Cuvée Héritiers Latour", as the parcel has been passed down through the generations of Latour family descendants.

Wine tasting

- TASTING NOTE A beautiful nose of earth, game, a touch of the sauvage and plenty of crushed red pinot fruit notes that give way to rich, round and elegant flavors that are sweet, attractive and delicious if not particularly concentrated or powerful. A Chambertin of finesse rather than muscle.
- CELLARING POTENTIAL 10-15 years
- FOOD PAIRING Venison stew - roasted deer with pepper and mashed celery - Soumaintrain cheese.
- SERVING TEMPERATURE 16-17°
