- **FERMENTATION** Traditional in oak barrels with complete malolactic fermentation
- **AGEING** 8 to 10 months ageing in oak barrels, 100% new
- **BARRELS** Louis Latour cooperage, French oak, medium toasted

Description

After the ravages of the phylloxera epidemic at the end of the 19th century the Latour family took the then, unusual decision to tear up the dead Aligoté and Pinot Noir vines, and replace them with Chardonnay. This decision led them to create one of Burgundy's most celebrated white whites.

Today the Latour family owns 10.5 hectares which makes them the biggest owner in the appellation. The Latour's Corton-Charlemagne vineyards are located on a prime section of the Corton hillside where the south-easterly aspect ensures maximum exposure to the sun. The fruit is harvested as late as possible to guarantee maximum ripeness.

Wine tasting

- **TASTING NOTE** A lemon gold colour with tears. The nose is powerful, with toasted crumpet and creamy floral tones. The palate maintains good creamy honeyed fruits and mineral notes. It is very well balanced with a silky finish, it needs time to flesh out and develop. It will be wonderful.
- **CELLARING POTENTIAL** 10-15 years
- **FOOD PAIRING** Shellfish - lobster - foie gras - fish - mature cheeses.
- **SERVING TEMPERATURE** 12-14°
