Description

After having great success with our "Ardèche Chardonnay" and our "Grand Ardèche", Maison Louis Latour became interested in planting the Viognier grape variety on Ardèche soils and in the original blend that could be made with Chardonnay. Our "Duet" is unique because the two different grapes are harvested and fermented at the same time. The vines are quite far apart from one another and the last week of harvesting Chardonnay coincides with the first week of harvesting Viognier, therefore preserving the acidity of the Viognier. This results in a balanced wine, where neither variety overpowers the other. It is a fine, supple, and elegant wine.
