### White Burgundy: Louis Latour 2023 Château de Blagny Meursault- Blagny Premier Cru

Domaine Louis Latour's vineyard holdings cover more than 100 acres and include one of the largest collections of Premier Cru and Grand Cru vineyards in Burgundy. It was established in 1797 and is currently run by the 11th and 12th generations of the Latour family. From an exclusive monopole vineyard above Meursault and Puligny-Montrachet, the stunning Château de Blagny Meursault is medium-straw-colored in the glass. It has enchanting aromas of white peach, lemon curd, and a lifted whiff of crushed oyster shells that transition to flavors of lemon meringue pie, flaky pastry crust, and Fuji apple on the palate.
