

## CHAMBERTIN GRAND CRU "CUVÉE HÉRITIERS LATOUR"

95

"The most reserved of the Louis Latour reds I tasted from bottle, unfurling reluctantly in the glass to reveal notions of spicy berry fruit, peony, orange rind and savory nuances of forest floor. On the palate, the wine is full-bodied, deep and concentrated, with a sappy core of fruit, fine but youthfully chewy tannins and a long, sapid finish..."

## VOSNE-ROMANÉE 1ER CRU "LES BEAUX MONTS"

93

"Wafts from the glass with a rich bouquet of ripe cherries, wild berries, sweet spices and smoked meats. On the palate, the wine is medium to full-bodied, ample and gourmand, with a rich core of succulent fruit, juicy acids and fine structuring tannins, concluding with a mouthwatering finish. This is a very strong showing from bottle."

## CHÂTEAU CORTON GRANCEY GRAND CRU

93+

"Showing very well from bottle, unfurling in the glass with a youthfully tight-knit bouquet of plums, cassis, subtle spices and incipient hints of forest floor. On the palate, the wine is full-bodied, deep and concentrated, with tangy acids, fine but firm structuring tannins and a long, expansive finish."

## CLOS-VOUGEOT GRAND CRU

92+

"Aromas of ripe cherries, cassis, grilled meats, caramelized citrus rind & loamy soil introduce [this wine], a full-bodied, broad-shouldered wine with a rich core of concentrated fruit, chewy structuring tannins & tangy balancing acids. This is a powerful, intense [wine] that has the substance to support sustained time in bottle."

## CORTON-PERRIÈRES GRAND CRU

92+

"Offers up a deep and appealing bouquet of cherries, licorice and potpourri that's very delicately framed by a touch of new wood. On the palate, the wine is full-bodied, ample & quite lavish on the attack, with the firm, tensile profile typical of this site only making itself felt on the mid-palate and finish. Impressively concentrated and complete."

## BEAUNE 1ER CRU "PERRIÈRES"

90

"Offering up aromas of cherry, cassis, candied peel and subtle hints of coniferous forest floor. On the palate, the wine is medium to full-bodied, ample and fleshy, with tangy acids and fine but chalky tannins that assert themselves on the sapid finish. It's very true to type and will give pleasure for over a decade."

94

## MONTRACHET GRAND CRU

“Showing nicely from bottle, unfurling in the glass with aromas of crisp pear, lime zest, subtle citrus blossom and toasted nuts. On the palate, the wine is full-bodied, unctuous and saline, with a textural attack but tangy balancing acids and a long, lingering finish. The frost impact lends this Montrachet a slightly atypical equilibrium, but it’s a definite success for Latour.”

## MEURSAULT 1ER CRU “GOUTTE D’OR”

“Bursts from the glass with aromas of green orchard fruit, nutmeg and honeycomb. On the palate, the wine is full-bodied, rich and fleshy, with chewy texture and extract, succulent acids and a long, lusty finish. It’s one of the most dramatic, extroverted wines in the Latour collection this year.”

92

## CORTON-CHARLEMAGNE GRAND CRU

“Offering up aromas of lime zest, crisp green orchard fruit, fresh peach and pastry cream. On the palate, the wine is medium to full-bodied, ample and notably saline, with a bright line of acidity to underpin its ripe fruit and an attractively penetrating finish. Though I would like to see more of the flesh and texture that I found from barrel, this has turned out well.”

## MEURSAULT 1ER CRU “GENEVRIÈRES”

“Aromas of buttered orchard fruit, lime zest, honeycomb and white flowers..., a medium to full-bodied wine that’s satiny textured, pure and attractively delineated, displaying good concentration and depth at the core, and concluding with a long, precise finish. This is another unambiguously successful 2016 white from Latour.”

## PULIGNY-MONTRACHET 1ER CRU “SOUS LE PUIITS”

“Unfurls in the glass with a youthfully reserved but attractively pure bouquet of ripe lemons, citrus blossom and pastry cream. On the palate, the wine is medium to full-bodied, ample and satiny with a broad attack, a crisp but fleshy mid-palate and a pure finish. With a few years in bottle, I suspect this will evolve into something quite exotic and gourmand.”
