

## LOUIS LATOUR

### White wines:

#### **17.5+ points - Corton-Charlemagne Grand Cru, Domaine Louis Latour**

Creamy, rich nose with cereal and cooked apple fruit and loads of weight on the palate. Full, powerful, formidable. Certainly has the stature of grand cru, and there is potential for the flavour range to emerge with time. Drink 2019-2029

#### **17+ points - Puligny-Montrachet Premier Cru Les Chalumaux**

Dry, fibrous palate with intense fruit – compact and taut and actually quite heavy. Lovely spicy oak element on the finish. Broad, balanced, lengthy and classic. (RH) Drink 2019-2029

#### **17 points - Puligny-Montrachet Premier Cru Les Referts**

Strong buttery aroma on the nose, lemon curd and sweet spice – this has all the classic complexity of burgundy with the tight edges of Puligny. Long, oaky finish with creamy texture and enough lemon fruit to balance. Drink 2018-2026

#### **15.5 points - Puligny-Montrachet Premier Cru Sous le Puits - Drink 2018-2022**

#### **17 points - Chassagne-Montrachet Premier Cru La Grande Montagne**

Hefty citrus fruit giving plenty of concentration, and a slightly furry texture providing shape for the palate. Nice spicy persistence on the finish. Drink 2018-2026

#### **16.5 points - Chassagne-Montrachet Premier Cru Morgeot**

Butter, spice, herbs, lemon juice, saline minerality to finish. Smoky notes too. Drink 2017-2022

Slight nutty character with some saltiness adding a mineral dimension. Cooked lemon on the palate with a buttery note to finish. (Drink 2018-2024)

#### **16 points - Pernand-Vergelesses Premier Cru En Caradeux**

Lots of cream and yoghurt character on the nose, plus generous oak and a sharp citric element. Freshly crushed herbs on the finish – mint, basil – then back to the creamy flavours. Drink 2017-2021

#### **16 points - Beaune**

Spicy nose, cooked green apple fruit and a nice dairy character giving creamy texture. Pretty simple, but nicely made. Drink 2017-2020
