MONTRACHET
GRAND CRU

Peach, apple, lemon pie, butterscotch and pastry flavors are the main themes in this stylish white. Beautifully balanced, classy and even reserved, with a stony, mineral element that emerges on the finish, a long with a light, chalky feel.

BÂTARD-MONTRACHET
“CLOS POIRIER”
GRAND CRU

This white, though not that showy, delivers density and concentration. Ripe aromas and flavors of peach, McIntosh apple and lemon are offset by oyster shell and toasty oak spice elements. Everything is supported by vivid acidity, and the finish is persistent and expansive.

Best from 2029 through 2042. –BS

FLEURIE

This Fleurie opens with sweet-savory aromas of fresh tarragon and turned earth, layered over notes of cherry juice and dried red currant and a dusting of potpourri. Hints of sea salt and cured meat add depth. Mouthfilling and supple on the palate, this balances its savory undertones with vibrant fruit on the lingering finish.

Drink now through 2030. –LR
