Description

Maison Louis Latour is one of the most innovative producers in Burgundy, whilst maintaining its traditional image with a view to expanding the business. In 1979, the valley of the Ardèche river with its clay and limestone-based soils was chosen as the ideal location to produce a top-quality Chardonnay wine. The Chardonnay d'Ardèche is aged in stainless steel vats for approximately 10 months. It is a fresh and easy to drink wine.

Wine tasting
