Vinification & Ageing

- FERMENTATION Traditional in open-vat fermentation
- AGEING 10 to 12 months ageing in oak barrels, 35% new
- BARRELS Louis Latour cooperage, French oak, medium toasted

Description

Clos de la Vigne au Saint is a very old vineyard; the earliest known record of its existence is in 1375 when it is mentioned in the records of the Chapter of Saulieu. The Latour family have a long connection with this vineyard which began in 1738 when Louis Latour's great great grandmother owned a section of the vineyard. Since then it has remained in family hands, passing from generation to generation. The vineyard has perfect southerly exposure on the Corton hill lying on a bedrock outcrop towards the bottom of the slope. The soil is a rusty red colour and rich in marl which gives the wines distinct aromas. This wine possesses the elegance that we expect from a Côte d'Or Grand Cru and will age particularly well.

Wine tasting

- TASTING NOTE A beautiful ruby red colour with a nose of cherry stones and liquorice characterizes this wine. Upon tasting, the wine is all about its finesse and subtle tannins. A very elegant Corton which is very representative of the Pinot Noir grape. Already very flattering, this wine should be left a few more years before revealing its true merit.
- CELLARING POTENTIAL 10-15 years
- FOOD PAIRING Roasted hare - partridge - duck "à l'orange" - mature cheeses
- SERVING TEMPERATURE 16-17°
