Description

This exquisite red wine comes from the parcel of Grands Echézeaux located between Vosne-Romanée to the north and Vougeot to the south in the Côte de Nuits area. The soil of these parcels is mainly composed of clay and limestone. Grands Echézeaux is an exquisite red wine that is robust, solid and completely harmonious. It is always a great wine to age.

Wine tasting

- TASTING NOTE Deep and intense in colour this Grands-Echézeaux has a generous and powerful nose. Red fruits, moka and earthiness give it a stunning complexity. The tannins are still quite present and as a result this wine needs to age for a few years before it will reach its peak.
- CELLARING POTENTIAL 10-15 years
- FOOD PAIRING Roasted lamb - rib-eye steak - game - mature cheeses
- SERVING TEMPERATURE 16-17°
