- SOIL Clay
- AVERAGE YIELD 40 hl/ha
- HARVEST Hand picked

Vinification & Ageing

- FERMENTATION Traditional in open vats
- AGEING 10 to 12 months ageing in stainless steel vats

Description

Situated to the south-west of Santenay, the Maranges appellation is at the southernmost tip of the Côte de Beaune. The Pinot Noir vineyards are planted on well-exposed south-east facing slopes, and the wines thrive on the heavy clay soil. The wines tend to be firm and tannic when young. Maranges has an excellent capacity for ageing with fine structure and intensity of a Pinot Noir fruit character.

Wine tasting

- TASTING NOTE Deep ruby in color, Maranges 2007 expresses straightforward and intense aromas. On the nose, there are notes of cherries and underbrush. This wine has great balance with flavors of black fruits and licorice on the finish. Pleasant to taste now, this wine could also benefit from a few years of ageing.
- CELLARING POTENTIAL 3-5 years
- FOOD PAIRING Guinea fowl with cabbage - hare stew - cheese.
- SERVING TEMPERATURE 14-15°
