Description

Situated just south of Volnay and Pommard in the Côte de Beaune, Meursault is the most extensive southerly white wine commune of the Côte-d'Or. Surprisingly enough for an appellation of this quality, no Grand Cru exists, however the high quality of the 1er Cru more than compensates for this. The vineyard of Meursault « Charmes » is located just to the south of the village and is recognised to be one of the finest plots producing the Meursault appellation. The well-drained mineral soil is ideally-suited to the strain of Chardonnay grown here and the resultant wine is opulent and perfumed with very ripe peach, apple and nut flavours. A wonderful finish.
