- FERMENTATION Traditional in oak barrels with complete malolactic fermentation
- AGEING 8 to 10 months ageing in oak barrels, 50% new
- BARRELS Louis Latour cooperage, french oak, medium toasted

Description

Situated just south of Volnay and Pommard in the Côte de Beaune, Meursault is the most extensive southerly white wine commune of the Côte-d'Or. Meursault « Goutte d'Or » is the first Premier Cru found when leaving the village in the direction of Puligny-Montrachet. The parcel of vines was given this name ('drop of gold') because of the quantity of flint in the soil. These flints have both the shape and colour of 'drops of gold'. Entirely like the drops of wine which this land produces! The wine itself is all one would expect it to be with a powerful nose and rich palate. The wine preferred by Thomas Jefferson.

Wine tasting

- TASTING NOTE Our Meursault Premier Cru « Goutte d'Or » 2014 has a pale yellow colour with golden glint. The nose is seductive and offers delicate aromas of almond paste and vanilla. Generous on the palate, it suggests yellow fruits aromas with beautiful woody aromas and a lively finish.
- CELLARING POTENTIAL 5-7 years
- FOOD PAIRING Vol-au-Vent - rump of veal - freshwater pike - morels - cheese
- SERVING TEMPERATURE 12-14°
