Description

Situated just south of Volnay and Pommard in the Côte de Beaune, Meursault is the most extensive southerly white wine commune of the Côte-d'Or. Surprisingly enough for an appellation of this quality, no Grand Cru exists, however the high quality of the 1er Cru more than compensates for this. The vineyard of Meursault "Perrières" tends to show a soil that is thinner and stonier than many of its immediate neighbours, producing what is arguably one of the finest example wines from this village.

Wine tasting

- **TASTING NOTE** Our Meursault 1er Cru "Perrières" 2023 reveals an attractive, brilliant pale yellow colour. The nose is complex, revealing complex notes of yellow peach and honey. The palate is full and generous, with hints of almond. A long, persistent finish.
- **CELLARING POTENTIAL** 6-8 years
- **FOOD PAIRING** Chicken in cream sauce - skate in browned butter - white truffle risotto - Epoisses cheese.
- **SERVING TEMPERATURE** 12-14°
