### *Description*

Home of some of the world's most extraordinary Chardonnays including the famous Montrachet, Puligny-Montrachet is the geographical middleman of the white wine villages, bordered by Meursault to the north and by Chassagne-Montrachet to the south. The vineyard of « Les Folatières » produces a wine that is the ultimate expression of the noble Chardonnay grape in the village of Puligny-Montrachet. The vines enjoy an ideal south-easterly exposure, catching as much sunlight as the day-time permits and grow high up on limestone and marl soil. "The Folatières" is the name of the old French foletière "place haunted by wisps", beings of legend, elves with a light and lively grace, the popular imagination saw dancing above the stagnant water.
