- HARVEST Mechanical

Vinification & Ageing

- FERMENTATION Traditional in stainless steel vats, temperature controlled with complete malolactic fermentation.
- AGEING 8 to 10 months ageing in stainless steel vats
- BARRELS stainless steel

Description

Situated in the very south of the Mâconnais, the Saint-Véran vineyards form a gilded belt around Pouilly-Fuissé. Although Saint-Véran is less famous than its neighbour Pouilly-Fuissé, the two are similar in terms of relief and production techniques, even in their actual taste and fragrance. The area's Jurassic chalk soil and the vineyard's ideal exposure combine perfectly to produce top quality fruit.

Wine tasting

- TASTING NOTE Our Saint-Véran 2020 has a brilliant pale yellow colour. Its nose is complex and offers aromas of pineapple, honey and vanilla. On the palate, this wine is ample, round and reveals notes of fresh almond. Nice tension on the finish.
- CELLARING POTENTIAL 3-5 years
- FOOD PAIRING Shrimp and mange-tout pea risotto - Bleu de Bresse cheese - Beaufort cheese.
- SERVING TEMPERATURE 10-12°
