Description

Vosne-Romanée, famous the world over for its Grand Crus, also produces some Premier Crus capable of competing with the best. The iron-based soil just north of Nuits-Saint-Georges is absolutely ideal for the growing of Pinot Noir. The grapes reach their maximum maturity and it is by means of a traditional vinification that the lively perfumes and great fruity characters are released. This wine needs bottle ageing to fully realise its potential. The descriptive adjective in "Les Beaumonts" is "beau", which emphasises the quality of the wine that this particular vineyard on the hill produces.
