Description

Vosne-Romanée, famous the world over for its Grand Crus, also produces some Premier Crus capable of competing with the best. The iron-based soil just north of Nuits Saint-Georges is absolutely ideal for the growing of Pinot Noir. The grapes reach their maximum maturity and it is by means of a traditional vinification that the lively perfumes and great fruit character are released. This wine needs bottle ageing to fully realise its potential. The vineyard of « Les Petits Monts » is situated at the top of the hill, which explains its name.

Wine tasting

- TASTING NOTE Dark garnet-red with intense aromas of red fruits such as cassis and cherry mixed with cloves. It is fruity as well as having smooth oak flavours. Powerful and well-structured this is most definitely a wine with great ageing potential.
- CELLARING POTENTIAL 10-12 years
- FOOD PAIRING Beef "Mironton" - rabbit with chanterelles - venison with cranberries - mature cheeses
- SERVING TEMPERATURE 15-17°
