Description

Vosne-Romanée, famous the world over for its Grand Crus, also produces some Premier Crus capable of competing with the best. The Premier Cru vineyard of "Les Suchots" is recognised as being the prime candidate for any potential elevation in the appellation of Vosne-Romanée to Grand Cru status. It is located just to the north of the greats such as "Romanée Saint-Vivant" and "La Romanée Conti", the soil is very similar and there is much in common between the wines.

Wine tasting

- TASTING NOTE A delightful crimson colour and a more grape nose. This wine was reminiscent of Christmas with overtones of Christmas cake and brandy butter. These flavours were reflected on the palate and the wine had a prune like finish which lingered on and on. Its power and complexity earmark it as a wine worth guarding for at least 4/5 years, if you are able to resist temptation
- CELLARING POTENTIAL 10-12 years
- FOOD PAIRING Beef "Mironton" - rabbit with chanterelles - venison with cranberries - mature cheeses
- SERVING TEMPERATURE 15-17°
